3 [Open session]

4 [Accused Brima, Kamara and Kanu present]

09:15:56 5 [Upon commencing at 9.50 a.m.]

6 PRESIDING JUDGE: Good morning. I am sorry we are a little
7 late starting, but we were working on our decision. Ms Taylor,
8 before I go further I see you are --

9 MS TAYLOR: Yes, Your Honours. There is a new face on the
09:57:13 10 Prosecution Benches and I simply wish to introduce Ms Durocher
11 who is a new intern with the Office of the Prosecutor.

12 PRESIDING JUDGE: Thank you, Ms Taylor, and welcome to
13 Ms Durocher.

14 There is a majority decision in this matter and an oral
09:57:34 15 decision will be read by my learned colleague Justice Sebutinde
16 and full reasons will be published.

17 [Ruling]

18 JUDGE SEBUTINDE: The following is the majority oral
19 decision of the Trial Chamber. The Trial Chamber dismisses the
09:57:52 20 Prosecution request and rules that Witness TF1-150 can be
21 compelled to answer questions relating to the sources of his
22 information. The written reasons for this ruling will be
23 published later today or tomorrow.

24 PRESIDING JUDGE: I dissent from the majority opinion and I
09:58:17 25 will also publish my reasons very shortly today or tomorrow.

26 Ms Taylor, you have heard the Court's decision.

27 MS TAYLOR: Thank you, Your Honour. In light of the
28 Court's decision, might I ask that we have 10 minutes just to
29 organise a swap-over of witnesses and then be in a position to

1 explain to the Court the witness that we will then be calling?

2 PRESIDING JUDGE: Do the Defence have any comment on that?

3 MS THOMPSON: No, Your Honour, I think that will allow us
4 time to go back to our offices to get whatever papers for
09:58:52 5 whichever witness is coming next.

6 PRESIDING JUDGE: Perhaps it might be wise, since we may
7 also have to do that, to take a little bit longer than the 10
8 minutes. Let's reconvene at 10.30 a.m. and include our
9 mid-morning break in that period.

09:59:39 10 Mr Court Attendant, please adjourn court until 10.30 a.m.

11 [Break taken at 9.55 a.m.]

12 [AFRC15SEP05B - AD]

13 [Upon resuming at 10.35 a.m.]

14 PRESIDING JUDGE: Yes, Ms Taylor.

10:42:07 15 MS TAYLOR: Thank you, Your Honour. The Prosecution will
16 now call Witness TF1-167. This witness will give evidence in
17 open session. Originally Trial Chamber I extended the protective
18 measures accorded to group I, category C witnesses. But, by oral
19 decision on 18 October 2004, amended that order so that the
10:42:34 20 witness will give evidence in open session, but that all other
21 protective measures remain in place.

22 PRESIDING JUDGE: Is this the witness that we dealt with
23 this particular aspect of the protective measures prior to the
24 recess? I recall tabling a decision of Trial Chamber I. Is that
10:42:58 25 the same witness?

26 MS TAYLOR: The decision was an oral decision. It is in
27 the transcript, Your Honours, it has been filed on page 11355. I
28 do recall, Your Honour, there was some discussion about this
29 witness, but I am afraid by memory is being tested as to the

1 substance of that.

2 PRESIDING JUDGE: I think that if it is the same person,
3 then that has all be resolved in this Court.

4 MS TAYLOR: Yes, Your Honor. Ms Pack has reminded me that
10:43:25 5 that is in fact the case. This will be lead in evidence by
6 Ms Pack.

7 PRESIDING JUDGE: Thank you. Unless there is some other
8 matter, please proceed, Ms Pack.

9 MS PACK: Thank you, Your Honour. I will call Witness
10:43:41 10 TF1-167.

11 THE INTERPRETER: Your Honours, in what language will the
12 witness be giving his testimony?

13 PRESIDING JUDGE: Ms Pack, the translating unit has asked
14 what language will the witness be giving his evidence.

10:44:29 15 MS PACK: The witness will be testifying in English, Your
16 Honour.

17 PRESIDING JUDGE: Mr Interpreter, did you hear the answer?

18 THE INTERPRETER: Yes, Your Honour.

19 WITNESS: TF1-167 [Sworn]

22 A. And so --

23 MS PACK: Thank you, witness. If I can just spell those

26 Q. Anyone else in custody whom you recall with you?

27 A. Yes, there were a lot of Sierra Leone Army personnels
28 inside there.

29 Q. I'm just going to ask you broadly about the various

9 Are you able to spell that for the Court?

10:53:53 10 A. Yes.

11 Q. Would you prefer to write it down or are you able to --
12 [Overlapping speakers]

13 A. Yes, I prefer to write it down.

14 MS PACK: Perhaps if I can just ask that the witness is
10:54:04 15 given a sheet of paper, just so he can write down the name and
16 then read it out. I think that is my understanding of what he
17 finds easier in terms of spelling names.

18 Q. What I will do is just ask you to write it and then if you
19 could just read out the spelling, Cockerill Barracks.

10:54:41 20 A. C-O-C-K-R-I-L-L [sic].

21 Q. Thank you, witness. How long did you work as Johnny Paul

11 Q. When did you receive that promotion approximately?

12 A. As soon as I was attached to him.

13 Q. I am going to ask you to jump forward so that we can have
14 before the Court details of your personal background before you
10:56:36 15 start with the chronology of your testimony. So I'm going to ask
16 you to jump forward to 1998. Were there any all alterations in
17 your rank in 1998 that you are able to recall?

18 A. Yes. In 1998, after the pulling out of the AFRC government
19 in Kono, I was a lieutenant being promoted by Ibrahim Bazy

10:58:32 10 A. Yes, at Camp Rosos I was given a battalion to command.

11 Q. Who gave you the battalion to command?

12 A. Alex Tamba Brima, a.k.a Gullit.

17 Q. Again, still in 1998, but later on in that year, were there
18 any alterations in your appointment later on in the year?

19 A. Yes. When we moved from Camp Rosos to Major Eddie Town, on
10:59:18 20 the arrival SAJ at Newtown, I was then promoted to major and

22 Q. I will just break that down. SAJ, who are you talking
23 about?

24 A. SAJ Musa.

10:59:43 25 Q. Now, you say you were promoted by him to major at Newton,

6 Tamba Brima to be a lieutenant colonel.

7 Q. Did you receive an alteration in your appointment at this
8 time?

9 A. No, it was still the same.

11:01:03 10 Q. Just so we are clear, can you tell us what year you are
11 talking about now?

12 A. I am still talking of late 1998.

13 Q. Approximately which month?

14 A. December.

11:01:20 15 Q. In the following month did you receive any alterations in
16 your rank or appointment?

18 Q. Just moving over into 1999, did you receive any alterations
19 in your rank or appointment in 1999?

11:01:48 20 A. Yes. When we pulled out from Freetown in 1999 to the West

3 Q. Approximately when was that?

4 A. I cannot give a specific date.

11:02:59 5 Q. Where was Johnny Paul Koroma located when you were assigned
6 as his chief security?

8 Q. Did you receive any alterations in your rank at this time?

9 A. No, I was still a colonel.

11:03:35 10 Q. Who appointed you to the position of Johnny Paul Koroma's
11 chief of security?

12 A. I was sent to him on his arrival from Liberia from Ibrahim
13 Bazzy Kamara.

14 Q. Thank you, Witness. I am now going to ask you to go back
11:04:01 15 in the chronology to 1997. 25 May 1997, you have told the Court
16 that you were released from Pademba Road prison. Did anything
17 happen on 25th of May 1997?

18 A. Yes, when we were released we are to go to the army

22 A. Yes, we were asked to go to the army ordnance at Murray
23 Town to go and get more arms and ammunition, which we did.

24 Q. You are talking about, "we were asked to go to Murray Town

12 as Johnny Paul Koroma's security and after that you went to work
13 for Ibrahim Bazy Kamara. When you worked for Johnny Paul, where
14 were you based?

11:06:07 15 A. We were based at the army headquarters.

1 the coup?

4 would spell the names of each the persons that you identified.

11:07:18 5 So Zagalo, can you spell, please, for the Chamber?

6 A. Z-A-G-A-L-O. Then two, Alex Tamba Brima; aka Gullit.

11:29:04 15 A. Because I was at a army headquarters and I was there. I
16 saw Rambo, the CSO to Johnny Paul Koroma, distributing machetes
17 to put RUF and SLA fighters to put the students back in out of
18 the streets. Then later I came with Ibrahim Bazzy Kamara in his
19 convoy to the Connaught Hospital, where I saw some dead bodies.

11:29:40 20 Q. When Rambo, CSO to Johnny Paul Koroma, was distributing the
21 machetes do you recall anyone else being present at that time?

16 A. It took about three -- two nights, two days.

17 Q. You pulled out with whom?

18 A. I pulled out with Ibrahim Bazzy Kamara.

11:32:21 19 Q. I am going to ask you to look at a map, Witness. Your
20 Honours, if I might have a map distributed. It has been
21 disclosed to my learned friends and I have copies for the Court.
22 It is not a map that Your Honours have, and I have copies for
23 Your Honours. Your Honours, this is a road map of Sierra Leone
24 and Freetown, the back of which has been used before with the two
11:33:35 25 Freetown maps on it. But I am going to ask the witness, please,
26 to look at the larger map of Sierra Leone. Firstly, Witness,
27 just as you are opening the map, would you tell the Chamber is
28 this a map, or a copy of a map, that you have seen before?

29 A. Yes.

1 Q. When have you seen this map before?

2 A. Well, I have been using this map in the jungle.

3 Q. I ask you to look at this map. I will ask you simply to
4 encircle two of the locations which you have spoken about in
11:34:20 5 charting your route from Freetown in 1998. If you could just
6 encircle Tombo and mark it with the letter A, and if you could
7 encircle Fogbo and mark that with the letter B.

8 A. It has been done.

9 Q. Thank you. Witness, tell us, how did you get from Tombo to
11:34:54 10 Fogbo as you were withdrawing out of Freetown?

11 A. We used those canoes at Tombo - the fishing canoes at
12 Tombo - to cross us over the sea the Fogbo.

13 MS PACK: Your Honours, I would like to admit this map into
14 evidence, and I will be asking the witness to refer to it again
11:35:21 15 in the course of his examination-in-chief.

16 PRESIDING JUDGE: Counsel for the Defence, Ms Thompson, do
17 have anything to say about this application to admit this map?

18 MS THOMPSON: No, Your Honour, no objections.

19 MR FOFANAH: May I be heard, Your Honours. We have not
11:35:41 20 seen the markings that he has made -- that the witness has made.

21 PRESIDING JUDGE: Pause, Mr Fofanah. Are you seeking to
22 tender the finally marked map, Ms Pack, or the map in its blank
23 stage?

24 MS PACK: My apologies, Your Honour. I would seek to admit
11:35:58 25 it in its marked form, but it will be then subsequently marked
26 because I will be asking the witness to go back to it. So I will
27 be seeking further applications to have it admitted as further
28 marked.

29 PRESIDING JUDGE: I see. Well, there are two marks on it

1 already, Mr Fofanah. Do you we to see those or do you wish to
2 see the final edition?

3 MR FOFANAH: May I confer with my colleagues briefly?

4 [Defence counsel conferred]

11:36:28 5 MR FOFANAH: Your Honours, we will wait for the final map.

6 PRESIDING JUDGE: Am I to admit it in its present form now?
7 Can it be tendered now and then you will see it when it is
8 finally marked?

9 MR FOFANAH: Your Honour, the consensus is that you wait
11:36:53 10 until the markings are finally done.

11 MS PACK: Your Honours, I could ask in the alternative that
12 it be marked for identification now, so that at least it has some
13 status while it is being continually marked by the witness.

14 PRESIDING JUDGE: The consensus is that it should be
11:37:34 15 tendered when it is finally marked by the witness in its final
16 edition. So we can mark it for identification now. I have sort
17 of lost track of our numbers. Mr Court Attendant, could you
18 assist me, please?

19 MR WALKER: Yes. The current number will be P30.

11:37:54 20 PRESIDING JUDGE: It is not tendered yet; it is still only
21 marked for identification. It will be MFI 5, will it? We will
22 just mark it for identification at the moment, Ms Pack.

23 MS PACK: Thank you, Your Honour.

24 Q. You can close up the map now, Witness. Just keep it on
11:38:23 25 your desks. Thank you. Witness, you got to Masiaka. Was anyone

18 Q. You've told us then that you were Bazzy's chief security
19 officer at this time?

12:01:18 20 A. Yes. Yes.

21 Q. What was it your job to do, then, whilst you were in Kono
22 as CS0?

23 A. To take care of security for Ibrahim Bazzy Kamara to ensure

18 Q. Anyone else that you can recall?

19 A. I can only recall these.

12:03:44 20 Q. These securities that you have identified, let me just go

22 he was also called Eddie Williams.

23 A. Eddie Williams, yeah.

24 Q. Did he have any other appointment that you are aware of?

12:03:58 25 A. Yes, on our arrival at Mansofinia, when we left Kono, he
26 was appointed as Bazzy's chief security officer, whilst I was a

28 Q. In Kono, apart from being a security to Bazzy, did he have
29 any other position that you are aware of?

1 A. No.

2 Q. And Sai du Kambulai, was he known by another name?

3 A. Baski.

4 Q. Did he have any other position that you are aware of in

18 Q. Tell us -- repeat what you've just said?

19 A. He was placed in a battalion, but he was a 2IC.

12:05:54 20 Q. Just tell us what you mean by 2IC?

21 A. Second in command to the battalion commander.

22 Q. I'm going to ask you just a little about the command
23 structure that you have described being set up in this meeting
24 that you attended. Firstly, was there anyone in overall command?

12:06:28 25 A. Yes, Denis Mingo was the overall commander.

26 Q. Was there anyone who was second to him?

27 A. Second to him was Ibrahim Bazy Kamara. Then you have --

28 Q. Pause a moment. Was he, to your knowledge, always in the
29 position of being second to Denis Mingo whilst you were in Kono?

1 A. Yes, but the last days on our pull-out from Kono, Alex
2 Tamba Brima came from Kailahun with some reinforcement and on
3 their arrival to Kono, when going to Mansofinia, Alex Tamba Brima
4 was in command and Bazzy was two to him

12:07:20 5 Q. When you say on his arrival he was in command, who was he
6 in command of, Alex Tamba Brima, on his arrival in Kono?

7 A. On his arrival at Kono, you have Denis Mingo who was the
8 overall commander. Then next to him is Alex Tamba Brima, because
9 he was senior than Ibrahim Bazzy.

12:07:41 10 Q. As far as you know, did Ibrahim Bazzy Kamara have any other
11 position, apart from the --

12 A. Yes, he was in charge of the G4.

13 Q. What do you mean by the G4?

14 A. Keeping arms and ammunitions.

12:08:05 15 Q. Now, you have said that Denis Mingo was in overall command
16 in Kono. Do you know if there was anyone to whom he reported?

17 A. Yes, Denis Mingo at that time reports straight to Sam
18 Bockarie, aka Mosquito, at Kailahun.

19 Q. How did you know that?

12:08:34 20 A. Because there was a VHS communication set at his house and
21 we used that VHS communication set to send messages to Kailahun.

22 Q. How do you know that messages were sent to Kailahun on the
23 VHS communication set?

24 A. Because at that time I was chief security to Ibrahim Bazzy.

12:09:12 25 At all time when he goes to the radio communication, I go with
26 him. So I'm always there when some messages are sent.

27 Q. Do you know any other positions that were held by any
28 others as a result of the command structure?

29 A. Yes, you have the G5.

1 Q. Who was that?

2 A. It was Santigie Kanu, aka Five-Five, he was in charge of
3 the civilians and abductees. Then you have the medical.

4 Q. Who was that?

12:10:04 5 A. It was Biorbo Sesay. And you have the battalion at Tombodu
6 being commanded by Savage. You also have another battalion at
7 Mamudo.

8 Q. Pause a moment. Just repeat the name you have just
9 mentioned. Repeat the name.

12:10:37 10 A. You have Tombodu.

11 Q. Okay, and you said there was another battalion somewhere
12 else that you recall.

13 A. The one at Tombodu was Savage commanding it.

14 Q. Pause a moment. I'm just going to ask you a little about
15 Savage. Who was he?

16 A. He was an SLA soldier.

17 Q. Was Savage his full name?

18 A. No. I only knew that name for him.

19 Q. Apart from the appointments that you have told us about, do
12:11:18 20 you recall any others specifically from the command structure as
21 a result of that meeting?

22 A. You have Morris Kallon who was in charge of creating
23 obstacles -- obstacles, to create obstacles on the road leading
24 to Koidu Town.

12:11:59 25 Q. Witness, you have mentioned another battalion at Mamudo.

26 A. Yes, which was commanded by Salifu Mansaray, aka Tito.

27 Q. Perhaps if you just spell Salifu Mansaray, aka Tito.

28 A. S-A-L-I-F-U M-A-N-S-A-R-A-Y.

29 Q. Can you spell Mamudo, please, for the Court?

1 A. M-A-M-U-D-O.

2 Q. Witness, you have mentioned a G4 and a G5. Were there
3 other appointments in this category, the G category that you've
4 described, that you're able to recall?

12:13:18 5 A. You have Hassan Papa Bangura who was in charge of
6 operations too.

7 Q. Apart from a G4 and a G5, was there a G1, 2 and 3?

8 A. You have FAT Sesay who was in charge of G1, administration.

9 Q. It's not a name that we've had before from you. Who was
12:13:46 10 FAT Sesay?

11 A. FAT Sesay was an SLA officer.

12 Q. Had you come across him before Kono?

13 A. Yes.

14 Q. Where had you come across him before?

12:14:04 15 A. I know him even before the AFRC junta.

16 Q. Was there a G2 or a G3, or didn't those positions exist?

17 A. No.

18 Q. Witness, at this time you've spoken about knowing that
19 Denis Mingo reported to Sam Bockarie because there was a VHS set
12:14:43 20 at Superman's house and he used to send messages to Kailahun.
21 Who was he sending messages to in Kailahun?

22 A. Sam Bockarie was always talking to -- Denis Mingo was
23 always talking to Sam Bockarie.

24 Q. How do you know that he was talking to Sam Bockarie?

12:15:07 25 A. Because I used to be at the signal -- at the signal set.

26 Q. How do you know it was Sam Bockarie that he was talking to?

27 A. Because he had a call sign.

28 Q. Do you recall the call sign for Sam Bockarie?

29 A. Yes, it was called Globe.

1 Q. Can you spell Globe?

2 MS PACK: It's just G-L-O-B-E, Your Honours.

3 THE WITNESS: G-L-O-B-E.

4 MS PACK:

12:15:45 5 Q. Do you recall call signs for anyone else?

6 A. Yes, you have Ibrahim Bazzay Kamara, called Dark Angel. You
7 have Santigie Kanu, called Chuku.

8 Q. How do you spell Chuku?

9 A. C-H-U-K-U.

12:16:07 10 Q. Any other call signs you are able to remember?

11 A. You have Alex Tamba Brima, called Godfather. You have
12 Superman called Time Bomb. You have Gibril Massaquoi called
13 Jaffa.

14 Q. Witness, I'm going to ask you, in this period in Kono and

12:16:36 15 later, you said you went to Mansofinia and then were in Major
16 Eddie Town. Do you recall what SLAs were wearing in this period?

17 A. Yes, it was mixed. Only few -- only few that had full
18 uniform fatigues and most of those are the commanders.

19 Q. When you were in Kono and later, how would you know what
12:17:16 20 rank a commander, for example, held?

21 A. Well, as you know, we were in Freetown as a government and
22 in the military, so when we are pulling out, most SLAs have their
23 pip that they use in the jungle.

24 Q. What do you mean by a "pip".

12:17:41 25 A. That's to identify the rank.

26 Q. And you pointed to your shoulder?

27 A. Yes, they put it on their shoulder to identify the rank
28 they are.

29 Q. So, for example, can you give an example of --

1 A. For example, like a captain, you will have three buttons;
2 lieutenant colonel, one button and a crown.

3 Q. You've spoken about radio, these signals. Do you recall
4 any particular communications whilst you were in Koidu Town?

12:18:17 5 A. Yes, there was one other communication. That was to go and
6 collect arms and ammunition at Kailahun.

7 Q. And who was that communication between?

8 A. The communication was between Denis Mingo and Mosquito, Sam
9 Bockarie.

12:18:41 10 Q. How do you know that it took place?

11 A. Because I was asked to choose some securities from -- the
12 securities of Ibrahim Bazy to join up to collect the
13 ammunitions, and the ammunitions were brought and I saw them at
14 the house of Denis Mingo and it was shared, and Bazy had some

12:19:06 15 ammunitions that we were keeping at his house.

16 Q. Can you recall the ammunition then that you saw and brought
17 to Denis Mingo's house?

18 A. It was AK rounds by boxes and some grenades that were
19 placed in a rice bag, and some RPG bombs.

12:19:46 20 Q. Do you know why Ibrahim Bazy Kamara was given some of this
21 ammunition that you've described?

22 A. Yes, because he was the G4 and he was the 2IC at that time
23 at Kono.

24 Q. 2IC, just tell us what you mean by that?

12:20:04 25 A. Second in command to Sam -- to Denis Mingo.

26 Q. Now you've told us earlier that you moved on from Kono at
27 one point. Do you recall how long you were in Kono for; how much
28 time?

29 A. I cannot remember the right date.

1 Q. Are you able to remember approximately whether it was weeks
2 or months or not?

3 A. About two months.

4 Q. From Kono where did you go?

12:20:46 5 A. From Kono we went to Mansofinia.

6 Q. Why did you leave Kono?

7 A. We left Kono because the Nigerians had pressured us into
8 Kono, so we just had to leave.

9 Q. By "the Nigerians" who are you talking about?

12:21:03 10 A. I'm talking about the ECOMOG troops.

11 Q. You said you went to Mansofinia. Do you know -- who did
12 you go to Mansofinia with?

13 A. I went to Mansofinia with Ibrahim Bazzy Kamara, Alex Tamba
14 Brima, Santigie Kanu and half of the other troops that were in
15 Kono.

12:21:34 16 Q. Is that SLA, RUF, or what?

17 A. The majority was SLA.

18 Q. How did you get to Mansofinia, you personally?

19 A. We went to Mansofinia on foot.

12:22:05 20 Q. On the way to Mansofinia, which places did you pass through
21 to get there?

22 A. Passed through Tombodu, Kayima --

23 MS PACK: If the witness may be permitted to look at the
24 maps, Your Honours.

12:22:47 25 Q. You said you passed through Tombodu and Kayima.

26 A. We passed through Tombodu, Peyama, Kayima, Yarya, Worodu,
27 Kondea and Mansofinia.

28 Q. When you got to Tombodu, did you see anything there?

29 A. Yes. On arrival at Tombodu we met the battalion commander

1 that was there by the name of Savage. And when we met he had
2 already killed a lot of people, thrown in a pit.

3 Q. Who were you with when you saw a lot of people thrown in a
4 pit in Tombodu?

12:23:56 5 A. I was with half of the troops from Koidu going to
6 Mansofinia, including Alex Tamba Brima, Ibrahim Bazy Kamara,
7 Santigie Kanu, and some others.

8 Q. And the people thrown in the pit, were they --

9 A. They were all civilians.

12:24:26 10 Q. Were they alive or were they dead?

11 A. They were dead.

12 Q. Did you see what had happened to them?

13 A. I met them dead, but I could see that they were killed by
14 machetes.

12:24:37 15 Q. Could you estimate how many you saw in the pit?

16 A. I cannot give a right number, but there were plenty, more
17 than 150 people in the pit.

18 Q. Did you see how many -- did you see anything else in
19 Tombodu as you went there on your way to Mansofinia?

12:25:00 20 A. Yes, going up the court barri from the pit, there was some
21 dead body on the floor, about five, which I saw.

22 Q. You said the court barri. Just explain what you mean by a
23 court barri.

24 A. A court barri is a house where the paramount chief holds
12:25:31 25 cases.

26 Q. Had you been to Tombodu before this time when you passed
27 through on your way to Mansofinia?

28 A. Yes, the time we were in Kono, we used to go to Tombodu in
29 the evening to drink palm wine.

1 Q. You say "we used to go". Who went with you?

2 A. We used to go with -- I used to go with Ibrahim Bazzy
3 Kamara, Hassan Papa Bangura, Tito, Baski. Those I could
4 remember.

12:26:09 5 Q. How many times about did you go to Tombodu?

6 A. Two times.

7 Q. Did you see anything on those two occasions upon which you
8 went there?

9 A. Yes, on the first day we went there were some civilians
12:26:28 10 that were placed outside and were being flogged by Savage.

11 Q. How do you know?

12 A. I was there and I saw it.

13 Q. When you say "some civilians", tell us how many?

14 A. About seven.

12:26:49 15 Q. What did you actually see happen?

16 A. I saw Savage ordering his boys to flog the civilians
17 publicly.

18 Q. On the other occasion, the second occasion upon which you
19 went to Tombodu, did you see anything on that occasion?

12:27:10 20 A. On the second occasion I could not remember exactly what I
21 saw.

22 Q. This time you said that Savage was the commander of the
23 battalion at Tombodu. Do you know what his rank was at this
24 time?

12:27:38 25 A. He was a lieutenant.

26 Q. Do you know who appointed him to that rank?

27 A. Denis Mingo, aka Superman.

28 Q. How do you know that?

29 A. Because I was also promoted on the same day.

1 Q. When was that?

2 A. On the restructuring meeting at Koidu Town.

3 Q. Did Savage pull out with you from Kono to Mansofinia?

4 A. No, he stayed at Tombodu under the command of Denis Mingo.

12:28:24 5 Q. The battalion under his command in Tombodu, did they remain
6 there with him?

7 A. Yes, the battalion left there, but some of his fighters
8 went with the troops to Mansofinia.

9 Q. When you got to Mansofinia -- first of all, are you able to
12:28:51 10 say approximately what month of the year it was when you got
11 there?

12 A. It was about April.

13 Q. Which year, just remind us?

14 A. It was 1998.

12:29:06 15 Q. When you got to Mansofinia did anything happen?

16 A. On my arrival at Mansofinia, Alex Tamba Brima, Santigie
17 Kanu and some other commanders went to SAJ Musa at Krubola to
18 tell him that we have pulled out from Kono and we are now at
19 Mansofinia.

12:29:33 20 Q. How do you know that these commanders went to see SAJ Musa?

21 A. Because Mansofinia is a very small village and I was
22 staying in the house with Ibrahim Bazy and around that house you
23 have all the other commanders there.

24 Q. Do you know what happened at the meeting or the visit of
12:30:14 25 these commanders to SAJ Musa?

26 A. On their return from SAJ Musa they came back and I was with
27 Ibrahim Bazy Kamara in the evening seated on the verandah of the
28 house and Alex Tamba Brima, Santigie Kanu, they were seated at
29 the house of Alex Tamba Brima and Ibrahim Bazy was called and I

1 went with him to the house and they told him that SAJ have told
2 them that we should try to restructure the fighters and after
3 that we have to leave Mansofinia to make a camp at the Bombali
4 axis which the camp was Camp Rosos.

12:31:19 5 Q. After you were told this, you and Bazzy, by Alex Tamba
6 Brima, did anything then happen in Mansofinia?

7 A. Yes, the restructuring had to go on.

8 Q. How do you know that a restructuring went on?

9 A. All the fighters were called on a muster parade and at that
12:31:50 10 muster parade, they had to divide them into battalions which was
11 done by FAT Sesay, because he was the admin officer.

12 Q. Apart from dividing fighters into battalions did anything
13 else happen at this muster parade?

14 A. Promotions were given.

12:32:20 15 Q. Who made the promotions?

16 A. Alex Tamba Brima, and I was promoted to captain and given
17 an appointment as provost-marshal whilst all the other commanders
18 that came with the troops were all promoted one step higher.

19 Q. Apart from your own appointment, were there other
12:32:45 20 appointments made at this muster parade to positions in the
21 command structure?

22 A. Yes, you have --

23 Q. Just pause a moment. Who made those appointments?

24 A. Alex Tamba Brima.

12:33:04 25 Q. I am just going to ask you, firstly, about your own
26 appointment to provost-marshal. What did you do as a
27 provost-marshal?

28 A. As a provost-marshal, I was there to take care of
29 disciplinary actions on the fighters and to ensure that on all

1 operations we go, till we reach Camp Rosos, we shall move on the
2 right path, and any fighter that commits a law -- because we had
3 laws that we were given. Any fighter that commits will be
4 arrested and be judged on what we call jungle justice.

12:34:02 5 Q. So, for example, what sort of laws would you be
6 identifying?

7 A. One, there was a law of not stealing government properties,
8 which, I mean arms and ammunition and medical. Two, no raping
9 should go on when they are on operations. Anyone goes above that
10 will be punished.

11 Q. What sort of punishments were imposed?

12 A. Well, the punishments for those two laws is killing or
13 public flogging.

14 Q. You said you were responsible as a provost-marshal for
12:35:07 15 ensuring that the troops moved on the right path. What do you
16 mean by that, as you went on all operations to Rosos?

17 A. I mean by the right path, if an objective has been given,
18 like, for example, we are going to attack a certain specific
19 town, I should ensure that the fighters move to that particular
12:35:35 20 town and not to no other town.

21 Q. In your position as provost-marshal, did you move on the
22 operations?

23 A. I move on all operations.

24 Q. Was there anything else you were doing, apart from ensuring
12:36:01 25 that the fighters move on the right path or route to get to the
26 attack points?

27 A. No.

28 Q. Whom did you report to in your position as provost-marshal?

29 A. As provost-marshal I report to Alex Tamba Brima or Ibrahim

1 Bazzy Kamara.

2 Q. Did you have any men working under you as a
3 provost-marshal?

4 A. Yes, the initial stage I had 11 securities.

12:36:38 5 Q. What were they doing? What was their role?

6 A. Their role was to protect me.

7 Q. Now, you've spoken about the restructure that took place in
8 Mansofinia. Apart from your appointment, I would like you,
9 please, to identify any other appointments that were made in

12:37:11 10 Mansofinia.

11 A. Yes, you have the G5.

12 Q. Who was that?

13 A. The G5 was headed by Santigie Kanu, a. k. a. Five-Five. He
14 was in charge of all abdcutees.

12:37:26 15 Q. What about the G1?

16 A. The G1 was FAT Sesay. He was in charge of administration.

17 Q. Any other appointments --

18 A. You have the G4, who was Ibrahim Bazzy Kamara.

12:37:49 19 Q. Just pausing with Ibrahim Bazzy Kamara, apart from the
20 position of G4, do you know if he held any other appointments?

21 A. He was the commander number two on the operation to Gullit.
22 And you have the operation commander.

23 Q. Who was that?

12:38:19 24 A. Who was Hassan Papa Bangura. And you have Biorbo, who was
25 in charge of medical.

26 Q. How do you know about the positions that everyone held in
27 the command structure?

28 A. At that time I was provost-marshal, so on all meetings I am
29 present and all operations I go. So I know everything about

1 whatever we do.

2 Q. Now, you've said that there had been an instruction from
3 SAJ Musa for you to move from Mansofinia to set up a camp in
4 Bombali. Did that then happen?

12:39:13 5 A. Yes.

6 Q. What happened?

7 A. After restructuring, we had four battalions that we started
8 the move with. We moved from Mansofinia, passed back to Yarya,
9 which was the -- is the home town of Alex Tamba Brima, came
10 through the Makeni-Kamabai highway into Karina, passed Karina,
11 passed Batkanu, and just on the right-hand part of Batkanu over
12 the river, there we had Camp Rosos.

13 MS PACK: I'm just going to deal with some spellings there,
14 Your Honour. Yarya, which is Y-A-R-Y-A. And Makeni-Kabala
15 Highway, you've heard both of those names before. Makeni.
16 Kabala, K-A-B-A-L-A. Karina, Your Honours have heard,
17 K-A-R-I-N-A. Batkanu, B-A-T-K-A-N-U. And Rosos, R-O-S-O-S.

18 MS THOMPSON: Your Honour, I hope I'm not being a pain, but
19 may I just ask my learned friend to ask the witness to go over
12:40:55 20 that route again. I kind of missed some places.

21 MS PACK: What I will do is I will ask him to mark the
22 route on the map for my learned friends and for the Court in a
23 moment.

24 PRESIDING JUDGE: Will that be satisfactory, Ms Thompson?

12:41:08 25 MS THOMPSON: That's fine, thank you, Your Honour.

26 MS PACK:

27 Q. Just before I ask you to mark the route, just tell us the
28 route that you went on from Mansofinia to Rosos, what sort of
29 terrain were you moving on?

1 A. It was in the jungle.

2 Q. Do you remember the names of any other places that you
3 passed through, apart from the names that you've identified to us
4 to today?

12:41:30 5 A. Well, I'm not too conversant with those names, so I cannot
6 give them

7 Q. I'm going to ask you to look at that map again. Open it
8 up, please. I'm going to pass to you a highlighter and ask you
9 to mark your route from Mansofinia to Rosos with a highlighter
10 pen.

12:41:50

11 MS PACK: Can I ask for the learned Court Attendant's
12 assistance to pass a pen up to the witness?

13 Q. Witness, if you would use the highlighter to mark from
14 Mansofinia to Rosos, just marking the route that you followed.

12:43:34 15 A. [Marks] I've done so.

16 Q. Thank you, Witness. And I would ask you, if you've still
17 got the other pen in front of you, the biro, if you would just
18 encircle two locations, Karina and Rosos. Mark Karina C and
19 Rosos D.

12:43:54 20 A. Done so.

21 Q. Thank you.

22 MS PACK: Perhaps, Your Honours, at this stage my learned
23 friends might want to see the route the witness has marked, and
24 Your Honours might wish to see that too?

12:44:09 25 PRESIDING JUDGE: Mr Court Attendant, could you assist us
26 and show the map to counsel for the Prosecution.

27 [Map shown to Prosecution]

28 MS THOMPSON: Your Honour, whilst that is being done, might
29 I ask that one of the defendants uses the convenience?

1 PRESIDING JUDGE: Yes, he should be escorted, Ms Thompson.

2 [Map shown to Defence]

3 [Map shown to Bench]

4 PRESIDING JUDGE: Ms Pack, I note the time. It is now the
12:50:50 5 time we normally adjourn for the lunchtime adjournment. It may
6 be appropriate now to adjourn the Court to 2.15.

7 [Break taken at 12.47 p.m.]

8 [On resuming at 2.20 p.m.]

9 PRESIDING JUDGE: [Microphone not activated] I think, Ms

12:51:06 10 Pack. Is he in the Court precincts?

11 MS PACK: I am afraid I would have to ask someone to go and
12 check.

13 PRESIDING JUDGE: Thank you. Perhaps if we could ask the
14 Madam Court Attendant. We would be grateful if you could check
14:24:06 15 where our witness has gone.

16 [The witness entered court]

17 PRESIDING JUDGE: Please proceed, Ms Pack. We have just
18 been dealing with the map.

19 MS PACK: Thank you, Your Honour.

14:26:17 20 Q. Witness, just to remind you where we were before the lunch
21 break, which was you had drawn the route which was taken by you
22 and the troops from Mansofinia to Camp Rosos. One of the
23 locations that you marked on the map was Karina and I am going to
24 ask you about that location.

14:26:50 25 Before Karina did anything happen that you can remember?
26 Before you got there?

27 A. I could remember when we crossed into Karina there were
28 orders given by Alex Tamba Brima that Karina is the hometown of
29 the President, His Excellency Ahmad Tejan Kabbah. Karina must be

1 burnt down and anyone who sets hands on must be killed.

2 Q. How do you know that these orders were given by Alex Tamba
3 Brima. And if you just wait for the question to finish.

4 A. Because I was always with the headquarter team where you
14:27:38 5 have all the high commands. I always moved with that team

6 Q. Do you remember where it was that this order was given?

7 A. The order was given just before we entered Karina.

8 Q. Who was there when the order was given?

9 A. Pardon?

14:27:55 10 Q. Who was present when the order was given?

11 A. All commanders that were in the headquarter like Ibrahim
12 Bazzy Kamara, Santigie Kanu, Alex Tamba Brima himself, Tito and
13 other commanders that I could not remember.

14 Q. After these orders had been given before you got to Karina,
14:28:26 15 what then happened?

16 A. As we are entering Karina there was a house that was on the
17 right-hand side of the street and a Benz vehicle was parked
18 outside.

19 Q. Pause a moment.

14:28:44 20 PRESIDING JUDGE: I didn't hear what the witness said was
21 parked outside.

22 MS PACK: He said a Benz vehicle.

23 THE WITNESS: Mercedes Benz vehicle.

24 PRESIDING JUDGE: Thank you, Mr Witness.

14:28:53 25 MS PACK:

26 Q. Who were you with at this point?

27 A. I was with Ibrahim Bazzy Kamara.

28 Q. Anyone else with you?

29 A. Eddie Williams, aka Maf was also there.

1 Q. What happened after you got to this house on the right-hand
2 side with the Mercedes Benz outside it?

3 A. Eddie Williams went into the house, wrapped people with the
4 carpets of the house and set the house on fire.

14:29:39 5 Q. Let's just break that down a little. You said he grabbed
6 people with the carpet from the house. What do you mean by that?

7 A. I mean the carpet in the house in the parlour was wrapped
8 with the people he met inside the house.

9 Q. Where did this take place?

14:30:02 10 A. It happened -- it happened just before we entered Karina.
11 The first houses into Karina Town.

12 Q. How did you know that people were wrapped in the carpet
13 from inside the house?

14 A. I was standing just opposite the building with Ibrahim
14:30:19 15 Bazzy Kamara and Baski.

16 Q. Do you know how many people were wrapped in the carpet?

17 A. I could not give a specific number because I did not go
18 inside the building.

19 Q. How did you know that people were wrapped in a carpet?

14:30:45 20 A. When Eddie Maf placed the house on fire, then he came and
21 joined us opposite the house and told us that he wrapped people
22 with carpet in the house.

23 Q. Did you see how he put the house on fire?

24 A. Yes.

14:30:58 25 Q. What did he do?

26 A. He drew fuel from the Benz, Mercedes Benz car that was
27 parked outside the house, and sprinkled it right around the
28 parlour, inside the house and outside. And the house was -- he
29 scratched a match and dumped it in the house and the house went

1 ablaze.

2 Q. At the time that this was going on and you said you were
3 outside the house --

4 A. Yes, opposite the house.

14:31:38 5 Q. -- Who was with you?

6 A. I was Ibrahim Bazzy Kamara, Saidu Kambulai, and some other
7 security guards.

8 Q. What were you doing?

9 A. We were standing outside the house waiting for Maf.

14:31:57 10 Q. After the house was set on fire, what did you do?

11 A. We went into Karina Town.

12 Q. Who did you go in with?

13 A. I went with Ibrahim Bazzy Kamara together into the town.

14 Q. When you got into the town, did you see anything there?

14:32:16 15 A. Yes, I saw a lot of dead bodies, house on fire, and I saw a
16 lot of dead bodies in a mosque. And I also saw Cyborg holding
17 small children, taking them up two-story houses and leaving them
18 to fall down.

19 Q. I will just ask you about that first. You say you saw
14:32:51 20 Cyborg taking children into a two-storey house. How many times
21 did you see this take place?

22 A. I saw it once, but the children were more than four that I
23 saw he dropped down.

24 Q. Remind us, Cyborg, what was his position at the time?

14:33:13 25 A. He was a security to Ibrahim Bazzy Kamara.

26 Q. About how old were the children who were dropped from the
27 two-storey house?

28 A. They are between five to ten.

29 Q. You say that you also saw dead bodies in Karina. Are you

1 able to estimate how many dead bodies you saw?

2 A. I cannot give the right figure, but there were plenty.

3 Q. You say that you saw houses on fire. Are you able to say
4 approximately how many houses you saw on fire?

14:34:16 5 A. I cannot give a specific number of house, but half the town
6 was burnt down.

7 Q. And you have described seeing dead bodies at a mosque. Are
8 you able to say about how many dead bodies you saw at the mosque?

9 A. There are plenty.

14:34:36 10 Q. Did you see -- were you able to see what had happened to
11 them?

12 A. No, I only met dead bodies there and they were -- the
13 mosque was attacked by Halaji Kamanda aka Gunboot.

14 Q. Perhaps you would spell Halaji Kamanda aka Gunboot, please.

14:35:03 15 A. May I please have a pen and a paper, please?

16 MS PACK: If Mr Court Attendant would, please, with a pen
17 and paper. Madam Court Attendant.

18 A. H-A-L-A-J-I, Halaji. K-A-M-A-N-D-A, Kamanda.

19 Q. And his alias.

14:35:10 20 A. Aka Gunboot. G-U-N-B-O-O-T.

21 Q. Whereabouts did you see the bodies at the mosque?

22 A. Bodies, I saw bodies inside the mosque and outside the
23 mosque.

24 Q. Are you able to remember whether the bodies that you saw
14:36:31 25 outside were men, women, children?

26 A. They were -- the bodies outside the mosque were all men.
27 Adults.

28 Q. Were you able to see how they had died?

29 A. The ones outside that I saw were -- they were fired with a

1 gun. They had gunshots.

2 Q. When you went into Karina, you say you went in with Ibrahim
3 Bazzy Kamara and also Eddie Williams, aka alias Maf. Who else
4 went in Karina?

14:37:22 5 A. The whole troops were moving, we all went through Karina.

6 Q. Are you able to recall whether any of the commanders went
7 in?

8 A. Yes. Alex Tamba Brima, Santigie Kanu, Biyo, Hassan Papa
9 Bangura. Those I can remember.

14:37:55 10 Q. On your way to Rosos - and I am talking about the whole
11 journey from Mansofinia to Rosos - did you pass through other
12 villages apart from Karina and Batkanu?

13 A. Yes, we passed through several villages, but I cannot call
14 their names.

14:38:20 15 Q. Did you see any civilians in those villages?

16 A. Yes, all the villages we went through had civilians, which
17 were captured and abducted.

18 Q. Are you able to estimate about how many civilians were
19 captured and abducted?

14:38:41 20 A. At that point I could not give a specific amount of
21 civilians, but there were hundreds of civilians.

22 Q. Do you recall anything else happening in the villages that
23 you were passed through on the way?

24 A. Yes, most of the villages were burnt down and civilians
14:39:11 25 that were in the villages were abducted.

26 JUDGE SEBUTINDE: Counsel, I am not sure, is that abducted
27 or adopted? What is it?

28 MS PACK: I have taken it to be abducted, but I will ask
29 the witness to repeat.

1 Q. Are you saying adopted or abducted the civilians that you
2 came across on the way through?

3 A. Adopt.

4 Q. What do you mean by adopt?

14:39:48 5 A. Well, I mean when we go through the villages the civilians
6 that we meet had been captured and we joined them forcefully with
7 the whole troop and move.

8 JUDGE LUSSICK: I think the witness was actually saying
9 "adopt", but the meaning he just gave is consistent with the word
14:40:30 10 "abduct".

11 MS PACK: Yes, Your Honour.

12 Q. Witness, on your way from Mansofinia to Rosos as you were
13 moving, who were you moving with?

14 A. I was always moving with the headquarter, where you have
14:40:56 15 all the senior high commands.

16 Q. Who did that include?

17 A. You have Alex Tamba Brima, who was the overall commander,
18 next to him was Ibrahim Bazy Kamara. You have Santigie Kanu in
19 charge of the G5, and you have Biorbo in charge of the medical.
14:41:24 20 And you have Woyoh -- Abdul Sesay -- and other commanders.

21 Q. And at this point did you have any men under your command
22 as you were moving?

23 A. Yes.

24 Q. How many?

14:41:44 25 A. At that time from Mansofinia to Camp Rosos I only had 11
26 men under my command.

27 Q. Their job was to do what?

28 A. Their job was to take care of my security.

29 Q. Anything else?

1 A. No.

2 Q. On your way to Rosos you said you were with headquarters,
3 the senior high command. Are you able to say what they were
4 doing on the way to Rosos?

14:42:25 5 A. The headquarter is there -- the high command at the
6 headquarter, they take care of all the operations, and all the
7 orders come from the headquarters.

8 Q. When you got to Rosos, where were you based?

9 A. I was based in Rosos village. There was the headquarter.

14:43:07 10 Q. So who else was based with you there?

11 A. Alex Tamba Brima, Ibrahim Bazy Kamara, Santigie Kanu,
12 Hassan Papa Bangura, and the 4th Battalion, which I later become
13 the commander of.

14 Q. At Rosos -- what were these the headquarters doing whilst
14:43:40 15 at Rosos?

16 A. Just like I said, the headquarters was in charge of
17 planning all operations and giving military orders.

18 Q. When you were at Rosos, did anything happen in the villages
19 surrounding the camp?

14:44:05 20 A. Yes. All the villages around Rosos we had -- we had
21 battalions deployed at all the villages around and the
22 headquarter in the middle.

23 Q. Did anything happen in any of these villages that you able
24 to recall?

14:44:27 25 A. No.

26 Q. And other villages, apart from the ones where battalions
27 were deployed to, do you recall anything happening in those
28 villages?

29 A. Yes, there was one village close to Rosos they called

1 Mateboi.

2 MS PACK: I Will spell that. That is M-A-T-E-B-O-I, Your
3 Honours.

4 Q. Go on, what happened there?

14:44:58 5 A. At Mateboi, the commander Ibrahim -- the commander, Alex
6 Tamba Brima, sent a team to Mateboi to get all the civilians to
7 join us at Camp Rosos. But that was not done. The civilians did
8 not come and another team was sent there.

9 Q. Who was the head of that team?

14:45:28 10 A. It was Arthur, Captain Arthur.

11 Q. How did you know that another team was sent to the village?

12 A. Because I was at the headquarter and all operations that go
13 I will know because I was commanding the battalion.

14 Q. The name identified there, Arthur, can you spell that,
15 please?

14:45:45 16 A. A-U-T-H-E-O [sic].

17 Q. Could you just repeat that?

18 A. A-U-T-H-O [sic].

19 Q. Go on, you were going on to say that a second team under
14:46:14 20 his command, under Arthur's command, went.

21 A. The second team went, and on their return they came with a
22 lot of -- they came with a lot of arms, which was brought by
23 Adama Cut Hand and the head of the chief as Arthur.

24 Q. You said arms were brought by Adama Cut Hand.

14:46:43 25 A. Arms that were amputated.

26 Q. How do you know that Adama had done that?

27 A. Because he came to the headquarter and I saw it.

28 Q. I just ask you to wait until finish my question before you
29 answer. Just so that the court reporter is able to record what I

1 am asking and what you are answering. Thank you, Witness. Adama

2 Cut Hand can you just spell that name please?

3 A. A-D-A-M-A, Adama; C-U-T H-A-N-D, Cut Hand.

4 Q. Who was Adama Cut Hand?

14:47:32 5 A. She was a soldier of the SLA.

6 Q. Did she hold any particular position in the troop?

7 A. No.

8 Q. What did you see when she returned from Mateboi?

9 A. From Mateboi saw her hanging a necklace that has a human
14:47:49 10 being hand, fingers.

11 Q. And these were amputated?

12 A. Yes.

13 Q. Was it fingers or hands?

14 A. Hands.

14:48:14 15 Q. When you saw this were you with anyone?

16 A. Pardon.

17 Q. When you saw Adama Cut Hand with amputated hands around her
18 like a necklace, was anyone with you?

19 A. I could not understand the question.

14:48:33 20 Q. When you saw Adama Cut Hand return from Mateboi, was anyone
21 with you when you saw her?

22 A. Yes.

23 Q. Who was with you?

24 A. Arthur himself that went on the operation was there,

14:48:48 25 Ibrahim Bazy Kamara, Alex Tamba Brima.

26 Q. Did you go on the operation to Mateboi?

27 A. No.

28 Q. You have said something about head of the chief. What did
29 you see happen in relation to that?

1 A. The head of the chief. The head of the chief was cut off
2 and brought to the headquarter.

3 Q. How do you know that?

14:49:21 4 A. Because when Arthur came he reported that it was the head
5 of the chief.

6 Q. And when you say it was handed over to headquarter, who was
7 present when the head was handed over?

8 A. The high command -- the high command, Alex Tamba Brima, was
9 there, Ibrahim Bazzy and other commanders.

14:49:56 10 Q. You have also told us that you passed on the way -- the
11 troop passed on the way to Rosos through Batkanu. Are you able
12 to remember anything that occurred in Batkanu?

13 A. No, at that present moment nothing happened until when we
14 are at Rosos and an operation was sent to attack Batkanu.

14:50:30 15 Q. Who sent the operation?

16 A. The operation was sent by the operation commander, who was
17 Hassan Papa Bangura.

18 Q. How do you know?

14:50:46 19 A. Because, as I said, I was at the headquarter and in all
20 operations I would know about it, because I had a battalion that
21 I was commanding.

22 Q. Do you know what happened on the operation to Batkanu?

23 A. The Operation at Batkanu was to attack Batkanu for arms and
24 ammunition, but on the return back to the camp there was no arms
14:51:28 25 and ammunition got from the operation. They only came with some
26 civilians and lots of food stock.

27 Q. Did you go on the operation?

28 A. No.

29 Q. Were there any other operations that you are able to recall

1 that took place from Rosos when you were based at Rosos?

2 A. There was another operation at Gbinti.

3 MS PACK: Gbinti is spelt G-B-I-N-T-I.

4 Q. Did you go on that operation?

14:52:09 5 A. No.

6 Q. Witness, you have spoken about abductions that took place
7 on the way to Rosos and whilst you were at Rosos. Who was
8 abducted?

9 A. Civilians. Adults, children.

14:52:42 10 Q. Were they men, women, the adults?

11 A. Both men and woman.

12 Q. Girls, boys, the children?

13 A. They are both men and women.

14 Q. Were the men used for anything after they were abducted?

14:53:00 15 A. The men were used -- some were used to carry arms and
16 ammunition and food, and some were choosed [sic] to be trained as
17 fighters.

18 Q. Were the women used for anything?

19 A. The women always are there to help cook. To cook.

14:53:37 20 Q. When you were at Rosos did you have any particular role?

21 A. Yes, at Rosos there was a training organised at Rosos,
22 which Santigie Kanu was overseeing the training and FAT Sesay,
23 the G1 in charge of admin, was also in charge of the training.
24 And I was also in the training to protect the people they trained
14:54:25 25 not to run away.

26 Q. What was the consequence if people who were trained ran
27 away?

28 A. If someone is caught running away from the training he will
29 be killed.

1 Q. Are you talking about a civilian here or a soldier?

2 A. The ones they are training from civilians to become
3 fighters.

4 Q. Do you recall any instances of anyone running away?

14:54:56 5 A. Yes.

6 Q. What happened?

7 A. There were two that attempted to runaway. The one made his
8 way through. The one that was captured was killed as an example.

9 Q. How do know that he was killed?

14:55:17 10 A. I was there.
